THARROS PLACE PO BOX 23141 SAVANNAH, GA 31403

THARROS PLACE,

This letter will confirm and specify the terms of our engagement with you and clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients to confirm the following arrangements.

We will prepare your 2022 federal and state tax returns from information you provide. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some information. Providing us with all the information and documents in an organized format will help us keep our fee to a minimum.

It is your responsibility to provide all the information necessary to prepare complete and accurate returns. You should retain all the documents, canceled checks, and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns and therefore, you should review them carefully before you sign the returns or e-file authorization documents, as once we transmit your tax returns they would need to be amended to make any changes or corrections. There will be an additional charge to file an amended return in situations where you have omitted or inadvertently provided incorrect information.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined necessary for preparation of the income tax returns. We will use professional judgment in resolving questions where the law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor whenever possible. The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices on the time and expenses incurred.

Our fee for these tax preparation services will be based on time involved, organization of materials, expertise utilized, and complexity of returns. All attempts are made to prepare an accurate return including a defined internal review process. In many cases, fees for current year tax preparation services may not be comparable to last year's fee. We would be happy to give an estimate for these services after having an opportunity to review your material. All invoices are due and payable upon presentation.

Certain communications involving tax advice between you and our firm may be privileged and not subject to disclosure to the IRS. By disclosing the contents of these communications to anyone, or by turning over information about these communications to the government, you may be waiving this privilege. To protect your rights, please consult with us or your attorney prior to disclosing any information about our tax advice.

If the foregoing fairly sets forth your understanding, please sign one of the enclosed copies of this letter in the space indicated and return it to us. We want to express our appreciation for this opportunity to work with you.

Sincerely,

McKeever Spisso CPAs
